1. The **April Book Sale** went very well. Some boxes were not collected; Diane will pick them up, and Victoria will contact the buyers and bring the rest of the money to Helen.
2. Three boxes of **Video Games** are available for sale at \$5 each, to be collected at the AB Branch. Mary will prepare an inventory and advise Marty. A Constant Contact message about the sale could include information about membership.
3. **Further sorting** will be delayed due to COVID-19 lockdown.
4. **New Members** Some people have expressed an interest in becoming members of the Friends. The application form is on the website, and a way to pay dues will have to be offered. Victoria will make the arrangements, and a copy will be emailed to Helen.
5. **Suggestion** That a free box of books be given to the first 25 new members.
6. Mary reports that CPL has prepared a news item for the **Caledon Citizen** applauding the Friends, as April is Volunteer month. Since the pandemic started in March 2020 and frequent lockdowns have been imposed, the Friends have supported seven CPL contests. They are:
