1. **Welcome:** Marty opened the meeting at 6:30, acknowledging Denise and Carol whom we haven't seen for a long time.

2. **Requests from Caledon Public Library:**

**Teen Signage** – Consideration is being given to signage for the teen area. The teens that submitted to the Teen Fan Art contest (sponsored by the Friends) this year and last, would be asked whether they would like to submit an idea. From those submitted, a winner would be selected to design a 4' x 6' hanging sign. The winner would be offered a \$150 honorarium. The library would cover the cost of supplies.

**MOTION:** that the Friends would support the CPL in the amount of \$150 for signage within CPL guidelines.

**Moved by:** Marty; seconded by Victoria; carried.

**Tiny Art show** – during Ontario Culture Days (Sept 23 - October 16). Tiny Art Show kits (4 x 4 mini canvases, easels, and paint supplies) would be offered to customers, to either complete at the library or to take home and return the finished product. There would be a random draw from all the submissions in 3 categories: kids, teens, and adults. The winner of each category would receive \$50.

**MOTION:** that the Friends would sponsor this event in the amount of \$150.

**Moved by:** Marty; seconded by Victoria, carried.

*Although both motions were carried by those present, other members of the Friends are requested to submit their votes.*

3. **New Business**
