Caledon Public Library Increases Summer Hours at Caledon East Branch

Caledon Public Library has increased summer hours of operation at its Caledon East Branch. “We are always looking for opportunities to better serve Caledon and these additional hours will enhance our ability to efficiently and effectively meet residents’ needs,” said Colleen Lipp, Chief Librarian and CEO of Caledon Public Library.

“Customer service is always a priority for CPL and we are fortunate that these improved hours were supported by Town of Caledon Council during the 2018 budget process.” As a shared facility with the Dufferin Peel Catholic District School Board, the Caledon East Branch offers reduced hours during the summer and other school holidays. This investment supported additional staff hours so that operations of the Branch could be extended to include Tuesday mornings and Fridays during summer and school holidays. Effective June 25, 2018, these enhanced hours encourage convenient and continued use of the quality programs and services offered by the Library.
