

**For Immediate Release**

**See the future unfold before your eyes at Caledon Public Library**

CALEDON, April 13, 2018 - Whether you are a tech savvy person wanting to check out the latest gadgets and technology or you're an absolutely non-techie person and want to learn how to download an eBook or stream music and movies, CPL's Tech Fair is for you.

Hosted by Caledon Public Library, the Tech Fair will take place on Saturday, April 21<sup>st</sup> from 10 am – 2 pm in the auditorium of the Albion Bolton Community Centre. The event is FREE and brings together some of the top experts in their fields to tell you all about the latest technologies.

See demonstrations of the latest technology by knowledgeable experts. Experience new environments or exciting adventures using your smartphone along with a virtual reality headset. Have the opportunity to try wearable technology and gesture sensors to make music interactive and synchronized to your movements and meet the creators of Schema Factor. Meet and enjoy hands-on demonstrations by members of the Brampton Robotics Club, The Alpha Dogs, Nat's Robotics Academy and IRIS Robotics. The full list of all the exhibitors is available on the [library website](#) .

And if all the lingo and gadgets leaves you confused, bring your technology questions and library staff and members of the Best Buy Geek Squad will be on hand to share their expertise.

Don't miss this great opportunity to expand your mind and learn about the latest innovations in technology right in your own community.

**About Caledon Public Library**

Caledon Public Library has six branches that serve as the cornerstones to the community, connecting people to information and each other. Caledon Public Library offers a variety of adult and children programs to complement our collections.
