CALEDON PUBLIC LIBRARY SHARES 2018 ANNUAL REPORT WITH COMMUNITY

CALEDON, ONTARIO – Did you know Caledon Public Library (CPL) had 19,521 attendees to 1,126 programs in 2018? Offered 926,224 digital items to library customers? Had over 360,000 visits to CPL’s six branches last year?

All of this information and more is now available in CPL’s 2018 Annual Report.

“Libraries are becoming so much more than the traditional shelves of books. Historically the natural hub of communities, libraries now offer tech training, special programming and online resources in addition to the traditional author visits, story times, movies and books.” said Colleen Lipp, CEO and Chief Librarian. “We at CPL are dedicated to ensuring your library has what you need in today’s technological-based world as well as keeping your favourite best sellers.”

In addition to 2018 statistics on usage and resources, the annual report also highlights new initiatives planned for this year. The opening of the new Southfields Village Library, refurbishment of the Albion Bolton branch, launch of a new library app, and the focus on improving digital literacy throughout the community are just some of the amazing things CPL is undertaking in 2019.
