CALEDON PUBLIC LIBRARY LAUNCHES NEW WEBSITE

Bolton, ON – Caledon Public Library (CPL) is thrilled to unveil its new and improved website, now live at caledon.library.on.ca.

CPL embarked on the redesign project in September 2019 with the goal of making the site more mobile friendly, intuitive, accessible and modern. A public feedback survey was launched to guarantee that the new website met the needs of its users and additionally, a handful of patrons participated in usability testing, which highlighted pain-points of the existing website.

With patron feedback top of mind, CPL, in collaboration with Banja Solutions, has developed a website that is more user-friendly than ever, featuring a dynamic new visual design, improved navigation and a mobile-friendly interface that optimizes the site for all devices. In addition to these improvements, CPL has implemented a whole host of smaller but impactful updates, designed to make patron's online experience better.

To ensure that the new site meets patron's needs, CPL has launched a [feedback survey](#) and would love to hear your thoughts. As well, our knowledgeable staff is offering assistance for those needing help navigating the new website through [Tech Help @ Home](#).

Visit caledon.library.on.ca to learn more about the new site and the many exciting features.

About Caledon Public Library

Supporting a growing community of communities across 700 square kilometers, [Caledon Public Library](#) offers services, collections and programs in our six branches. Located in small villages as well as urban centres, these hubs serve as the cornerstones of the community, connecting people to information and each other. With an ever expanding number of digital tools, CPL provides access to downloadable eBooks and streaming movies and music. Whether connecting, collaborating or creating in our spaces or discovering and getting inspired from the comfort of home, all is possible – and free - with your library card.
